*First week each term to be spent on traditional story to promote communication, language and speaking skills (continued with puppets in Child Initiated time for their story telling skills)

Helicopter Stories to be told in each class every week, this will encourage children to be able to tell a story and improve imagination, speaking skills, self-confidence.

Picture News discusses topics that are happening in the world around us, to engage children in the wider world, the news and importance of what is happening worldwide.

Thinking Skills are used throughout lessons and 'Be Your Best Self' activities encourage children to think about themselves and their learning.
